

ONE DAY SEMINAR ON RESEARCH METHODOLOGY

'Research Frontiers, Opportunities And AI Advancements In Chemistry'

One day Research Methodology Seminar on the topic "Research frontiers, opportunities and AI advancements in chemistry" was conducted by Department of Polymer Chemistry and IQAC on 11th January 2024 at seminar hall. The inaugural session was presided by Dr. Muhammed Ismayil K.M (HOD of Polymer Chemistry) and inaugurated by Dr. Majeesh T (Principal, N.A.M College, Kallikkandy). Resource person, Dr. Jitha Kunhikrishnan M, Assistant Professor, S.N College, Kannur has interacted with the students on the topic and aware them about various career opportunities after their graduation and post graduation. Mrs Shabia K K thanked everyone who had been a part of this program.

One day seminar on *Research frontiers, opportunities and AI advancements in chemistry*

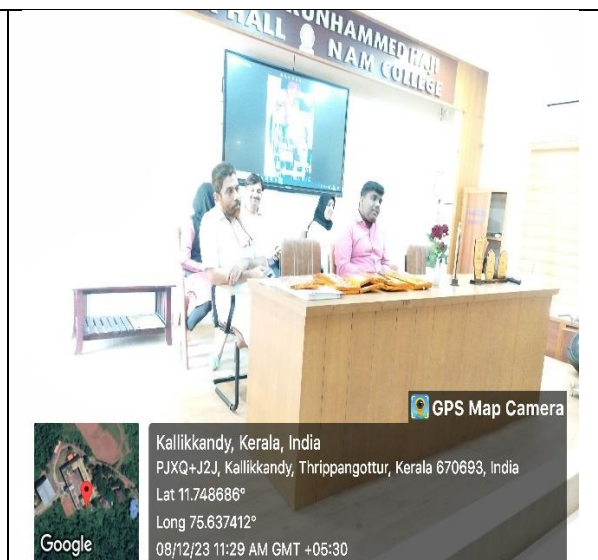

Soft Skill Training Programme

“Critical Thinking”

Dept. of Polymer chemistry and Polymer Chemistry association has conducted one day training session on soft skill development on 08/12/2023 Friday. The inaugural session was presided by Dr. Muhammad Ismayil K M (HOD of polymer chemistry) and inaugurated by Dr. Majeesh T (Principal, N A M College, Kallikkandy).

The trainer, Abdulla Puthur (psychological councilor, orator and NLP master) handled the class on ‘critical thinking’. He encouraged the students for adopting critical thinking to maximize the capacity of reasoning ability, personal aptitude and goal setting in their career.

Faculty of Polymer Chemistry Mrs. Anusree K, Mr. Namshad K P & Mrs. Shabina K K, Mr. Haris T K and Ali Kuyalil (JS of office) and Students Union Chairman Muhammed Alfani were also attended and offered greetings for the program.

Soft skill training programme

Signing of MoU

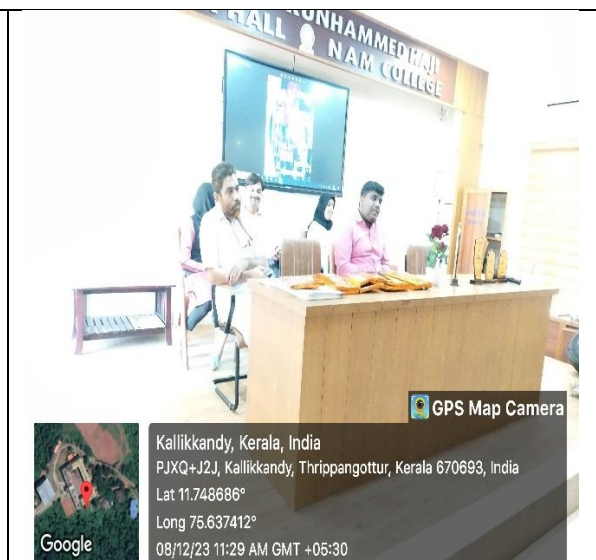

Dept. of Polymer chemistry has signed MoU with *SynTheCis* chemical and industrial training at Vadakara on 19/03/2024 Monday.

During the occasion, the College Principal Dr. Majeesh T, Dept. HoD Dr. Muhammad Ismayil K M., Mrs. Shabina K K and Mr. Sherjil, MD of *SynTheCis* Vadakara were also present in the programme

The MoU meant to provide, industrial training and undertaking project work to students of BSc Polymer Chemistry of our College. This MoU has a functional validity of 4 years (up to 21-5-28)

Signing ceremony of MoU with *SynTheCis Vadakara*

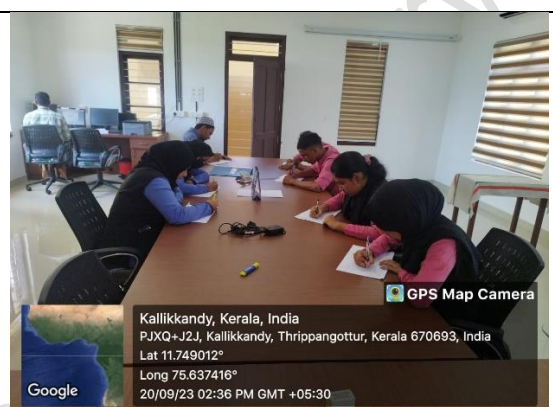

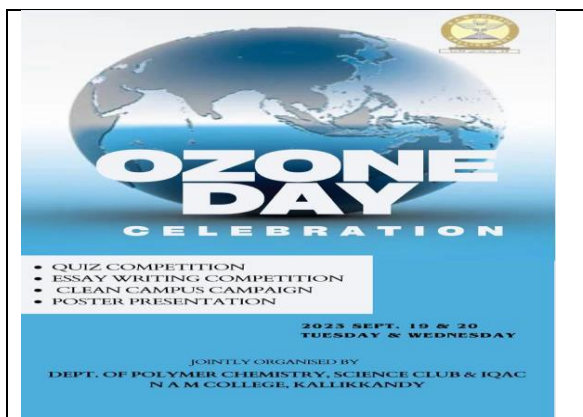

Soft skill training programme

- **Ozone Day Celebration 2023**

World Ozone Day Celebration was conducted by the Department of Polymer Chemistry in association with Science club & IQAC on 19th and 20th Sept. 2023,

College level quiz competition, essay writing competition, poster making competition and campus cleaning activities were conducted. Principal, Dr.Majeesh T inaugurated the programme. Dr Muhammad Ismayil K M, Head of the department and IQAC Co-ordinator and Sri Namshad K P were attended the function.

A brief discussion of each events are written below.

Ozone Day Celebration

Science quiz

Science quiz was conducted as a part of Ozone Day celebration on 19th September 2023. Programme conducted at G4 class room from 2.30 pm to 3.30 pm .Ten teams of students from various departments has participated in the programme. Each team contains two students .Smt Anusree K has performed the role of quiz master.

First place won by Jishnu .S & Muhammed Shamsil. A (5th sem B Sc. Mathematics). Second prize won by two teams Fathima .V and Nandana S .S (5th sem polymer chemistry) & Mirza Mariyam K. and Fathima Hiba .K (5th sem BBA) .Third prize won by Jumana Razak, Hana Fathima P. P (5th sem English). Principal Dr.Majeesh T distributed the cash prize to the students.

Poster presentation competition

Poster presentation competition was held in the college seminar hall in connection with ozone day celebration on 20th September 2023.The theme was “ozone depletion and its effect on the environment”. Ten students participated in the programme and best posters are exhibited in the college.

First prize won by Sana Sameer (5th sem polymer chemistry),Second prize won by Ayisha randa (first sem polymer chemistry),Third prize won by Noura Noufal (first sem P.C) & Fayiza Abdul Rasheed (3rd sem p.c)

Essay Writing Competition:

An essay writing competition was conducted at the college IQAC room on 20th September 2023. The topic of essay writing competition was “Biodegradable plastics a way to sustainable development”. Ten students participate in the programme.

The first prize won by Sana Sameer (5th sem polymer chemistry). Second prize won by Riza P P (3rd sem B A English) and 3rd prize won by Ameena Sherin (5th sem Polymer chemistry). Cash prizes were distributed to the students by Dr Muhammed Ismail K M, HOD & IQAC co Ordinator. Principal, Dr.Majeesh T inaugurated the programme. HOD Dr. Muhammad Ismayil K.M distributed the cash prize to the competition winners.
