THE WAY FORWARD

Internship opportunities for passed out students

IIC-NAMCK invites applications for the offline internship programme from the students those who have completed B.Sc.(Computer Science) and M.Sc.(Computer Science) from N. A. M. College Kallikkandy.

INTERNSHIP

Internship offer the students a chance to practice what they have learnt in their class rooms. It helps them to understand the theories and strategies they have been reading about, cementing the learning process.

Practice Underwent:

To achieve our objective, we have created an environment for the students through various internship programmes and MoU's with industries. The department concerned monitors the internship.

Objectives:

- ✓ To strengthen and enhance the quality of education.
- ✓ To provide them opportunity for job seeking.
- ✓ To focus on technology integrated development, skill development and to have hands-on experience of different concepts.

Benefits to the Students:

- An opportunity to get hired by the Industry/ organization.
- Practical experience in an organizational setting.
- Excellent opportunity to see how the theoretical aspects learned in classes are integrated into the practical world.
