N. A. M. COLLEGE KALLIKKANDY

INTERNSHIP

Internship offer the students a chance to practice what they have learnt in their class rooms. It helps them to understand the theories and strategies they have been reading about, cementing the learning process.

Internship opportunities for students

Objectives:

- ✓ To strengthen and enhance the quality of education.
- ✓ To provide them opportunity for job seeking.
- ✓ To focus on technology integrated development, skill development and to have hands-on experience of different concepts.

Practice Underwent: To achieve our objective, we have created an environment for the students through various internship programmes and MoU's with industries. The department concerned monitors the internship.

Benefits to the Students:

- An opportunity to get hired by the Industry/ organization.
- Practical experience in an organizational setting.
- Excellent opportunity to see how the theoretical aspects learned in   classes are integrated into the practical world.
