STUDENT FEEDBACK ON CURRICULUM

2017-18

Higher education institutions are established solely for the purpose meeting educational requirements of students. Students constitute the major stakeholders of higher education system; their achievement and satisfaction are considered to be the important criterion in the performance evaluation of an HEI. The student feedback on curriculum for the year 2017-18 was conducted by collecting a structured questionnaire 892 students in the college. The Questions were meant to collect opinion of students regarding the quality of teaching learning environment in the campus and questions and drafted in Five-point Likert Scale. Analysis of feedback received form the students regarding various questions in the questionnaire is given in the following tables and charts

Alumni Feedback on Curriculum Design and Implementation

2017-2018

The Internal Quality Assurance Cell (IQAC) of the NAM College collects alumni feedback on curriculum through online. Alumni, as the former students of an educational institution can provide valuable information regarding the effectiveness of the curriculum and the programmes or courses they studied, changes to be made in the curriculum, their experience in teaching, learning environment and campus life etc., and suggestions for improving all these factors for qualitative improvement of the institution. Considering this end in view feedback was collected from alumni of last five years, by using four scale rating, Viz. Excellent, Very Good, Good, Poor, analyzed and reported. Summary of the report is given below.
