Brief Report on International Day for Biological Diversity 2023

The International Day for Biological Diversity 2023, observed on May 22, focused on the theme "From Agreement to Action: Build Back Biodiversity." The event, organized by the Nature Club and IQAC of NAM College, Kallikkandy, was held at Arcadia. It was inaugurated by Dr. T. Majeesh, Principal of NAM College, who emphasized the importance of collective efforts in biodiversity conservation. Dr. D. Dileep, a renowned Plant Taxonomist and Environmentalist, delivered the keynote address, stressing the need for immediate and tangible actions to restore biodiversity and protect ecosystems.

The event was facilitated by Dr. Hussain C, Co-Ordinator of the Nature Club, and Dr. Muhammad Ismail KM, IQAC Coordinator. The event concluded with a Vote of Thanks by Sana Sulaiman, a BA History student, who thanked Dr. Dileep for his insightful talk, Dr. Majeesh for his support, and all the attendees and organizers for making the event a success. She encouraged everyone to take practical steps towards biodiversity conservation in their daily lives

Anas Memorial Palliative Care Unit:-

The college has started a palliative home care unit with trained volunteers for serving the people nearby places with serious illness. College facilitated a vehicle with the support of students and well wishers for home visits

I conclude this report expecting more activities and events in the coming academic year.

Thank you.
