**CONFERNCES, SEMINARS, WORKSHOPS ON
QUALITY CONDUCTED BY IQAC**

ONE DAY SEMINAR ON RESEARCH METHODOLOGY

Department of Polymer Chemistry in association with IQAC, organized a one day seminar on research methodology topic “al Chemistry meets biology” on 24-03-22 at Seminar Hall. Dr Muhammad Kutty KK inaugurated the programme while Dr Muhammed Ismail K.M. presided over it. Dr Safeer Kalathil , Asst. Professor ,University of Northumbria ,Newcastle, England, was the resource person. Mr. Namshad K.P welcomed the gathering . Around sixty students and four faculty members attended the programme. Mrs Shabina K.K offered the vote of thanks.

The poster features a dark blue background with light blue diagonal streaks. At the top left is the logo of Nam College Kallikkandy, which includes a circular emblem with a lamp and the text 'NAM COLLEGE KALLIKKANDY'. To the right of the logo, the text reads 'NAM COLLEGE KALLIKKANDY', 'Accredited by NAAC with 'B' Grade', and 'Affiliated to Kannur University'. The main title 'One Day Seminar on Research Methodology' is in white, followed by 'MATERIAL CHEMISTRY MEETS BIOLOGY' in large yellow letters. Below this, the date and time 'At 10.00 am on 24 th March 2022' and location 'At Seminar Hall' are listed. A portrait of Dr. Shafeer Kalathil is shown on the left, with his name and title 'Resource Person : Dr. SHAFEER KALATHIL, Assistant Professor, University of Northumbria, At Newcastle England' next to it. On the right, a blue oval contains the text 'Inauguration: Dr. MUHAMMAD KUTTY K.K Principal'. At the bottom right, it says 'Organized by DEPARTMENT OF POLYMER CHEMISTRY & IQAC'.

INTERNATIONAL WEBINAR ON LEADING INNOVATIONS: A PROMISE TO PROGRESS

Department of Commerce in association with IQAC organized a one-day international webinar on 16/10/2021. The major objective of webinar was to discuss the recent innovations in the field of commerce and management. The meeting was inaugurated by the principal Dr. Muhammed Kutty K K . The programme was presided over by Dr. Majeesh T (H O D of Commerce). The topic of the first session was “**Leading Innovations: A Promise to Progress**” which was handled by Dr. Mahesh Ramakrishna Pillai (former dean, COBA, Umm Al Quwain University, UAE . The second session was handled by Dr. Musthaq Ahammed, Asst. Professor, Umm Al Quwain University, UAE) where he talked on the topic “**Cryptocurrency-An Alternative Investment**”. Dr. Ashraf (faculty member and convener of the webinar) welcomed the gathering and Mr. Arif MK (faculty member) proposed the vote of thanks.

ONLINE LECTURE SERIES ON “CULTURAL STUDIES”

The Department of English in association with IQAC organized an online lecture series in the month of April 2021. The Lecture Series thematically took upon Post-war Literary Theories and Cultural Studies. In the inaugural session, Dr. Muhammad Kutty, Principal, NAM College, Kallikkandy addressed the audience by welcoming all the participants, scholars and dignitaries. Nasrullah Mambrol, Assistant Professor of English, and the organizer of the lecture series, introduced the theme. Dr. Priya K Nair, Research Officer, Kerala Higher Education Council, Assistant Professor of English, St. Teresa's College, Ernakulam delivered the inaugural lecture on Friday, 23 April 2021. The second session of the lecture series was held on Monday, 26 April, 2021. Dr. Haris K, Asst. Professor of English, University of Calicut. The series ended with a vote of thanks rendered by Priya Nair, Head of the Department of English. A feedback link was provided. All participants received electronic certificates

WEBINAR ON 'AFRICAN AMERICAN LITERARY IMAGINATION AND THE CIVIL RIGHTS ERA'.

The Department of English in association with IQAC organized its fourth lecture online on 28 October 2021. Richa Dawar, Assistant Professor of English, University of Delhi lectured on the topic 'African American Literary Imagination and the Civil Rights Era'. A special focus was given to the life stories of prominent African Americans, which, in their telling, have led to dramatic changes in the lives of African American people. College Principal Dr. Muhammad Kutty KK inaugurated the session. Nasrullah Mambrol, programme coordinator, introduced the chief guest. The programme went on for two hours with a very active 100 participants.

WEBINAR ON WOMENS DAY

A webinar was organized to mark the International Women's Day on 8th March 2022 at 7:00 PM in association with IQAC based on the topic of 'WOMEN CHARACTERS IN HINDI DRAMAS'. The programme was inaugurated by Dr. Majeesh T, Vice Principal in the presidency of Dr. Sunitha P V, Assistant Professor. The topic was presented by the Chief Guest Dr. James Paul, Associate Professor (Rtd), Nirmalagiri College & Former Distant Education Director & development Officer Kannur University. Around thirty members including teachers and students attended the programme. The programme ended at 8 PM.

WEBINAR ON 'GENDER RELATIONSHIP AND GENDER LAWS'

In association with Mahila Shakthi Kendra, Kannur, Women and child welfare department, Govt. Of Kerala, Women Cell conducted a webinar on the topic 'Gender Relationship and Gender Laws' on 26.02.2022 via google meet. Dr. K K Muhammed Kutty, Principal, NAM College, inaugurated the programme. Mr. Jestine K Joseph (Project consultant, NSS technical cell, Kerala) was the resource person. The programme started with the welcome address by Seniya Jerin (Women Welfare Officer, Mahila Shakthi Kendra, Kannur). He gave an idea about the importance of gender equity in the present social situation. He explained the discrimination that still exists in the society against girls and women by quoting various incidents and facts. He also gave awareness about various laws and schemes that are ensured by the Government for the protection of girls and women.

TWO DAY ONLINE FACULTY DEVELOPMENT PROGRAM ON PYTHON

The Computer Science Department of NAM College, Kallikkandy organized a two day online Faculty Development Program on Python in association with IQAC. The programme was intended to provide hands on training in Python based on the IV semester Computer Science syllabus of Kannur University. The programme was inaugurated by Dr. K K Muhammed Kutty, Principal. Sri. Muhammed Shafi P, Head of the Department of Computer Science Department presided over the function. Dr. Minimol V K and Mr Manikandan, CEO, Futuralab, Calicut facilitated the function. Lt. Shameer A.P, the Convenor of the programme welcomed the participants and Dr. Haseeb rendered the vote of thanks. The two day FDP program was conducted with the technical support of Futuralabs Calicut, Industrial Partner of the Department. Mrs Sruthi E Gireeshan, Team leader, Futuralab handled the session on the first day and Mrs. Anjali S Nair, Senior Developer, Futuralabs handled the session on the second day. Almost all parts of the syllabus were covered in both days. It was a thoroughly informative and interactive session. This workshop turned out to be a huge success with approximately 80 faculty members from various colleges of Kannur University. E-certificates were provided to all participants.

BLOCK CHAIN TECHNOLOGY- WHAT IT IS AND WHY IT MATTERS WEBINAR

The Post Graduate Department of NAM College Kallikkandy organised webinar on the topic Block Chain Technology- What it is and why it matters on 12th August 2020. Dr. Muhammed Kutty K K, Principal, inaugurated the programme and Sri. Muhammed Shafi P, Head of the department of Computer Science, presided over the function.

Dr. Shine K George, Associate Professor, Department of Computer Applications, U C College Aluva, was the Resource Person. The program was really attractive and informative. The resource person explained the terms in simple way providing examples from real life. He has explained future in different sector such as Digital advertising, forecasting, cyber security, Internet of Things and in the finance industry. Explain the applications, job opportunities in this area. He has shared some of the research areas related to block chain.

92 participants were attended the programme including faculties and students from various colleges. The E certificate was issued to all the participants. Lt. Shameer A.P, coordinator, welcome the gathering and Sri. Rejil K P expressed the vote of thanks.

The poster is for a webinar titled "BLOCK CHAIN: WHAT IT IS AND WHY IT IS MATTER". It is organized by the Post Graduate Department of Computer Science at NAM College Kallikkandy, in association with IQAC. The webinar is scheduled for August 12th at 10-11 AM via Google Meet. The resource person is Dr. Shine K George, Associate Professor at UC College Aluva. Contact information for Lt. Shameer A.P. is provided. The poster includes the college logo and contact details.

TWO DAYS NATIONAL WORKSHOP ON INTERNET OF THINGS

The department of computer science conducted two day national workshop on Internet Of Thing on 28,29 February 2020. The programme inaugurated by the principal Dr. K. K. Muhammed Kutty. HOD Sri. Muhammed Shafi presided over the function. Dr. Minimol V K delivered the welcome speech. All other faculty members and other staff were present in the function. Internet of Things (**IoT**) is presently a vibrant part of technology in the world. It has spread into most of the businesses in the modern world and become an integral and part of our daily lives. **IoT**, is a system of interrelated computing devices, mechanical and digital machines, objects, animals and the ability to transfer data over a network without requiring human-to-human or human-to-computer interaction.

The Internet of Things (IoT) has evolved from the convergence of wireless technologies, micro-electromechanical systems and the Internet. By connecting –things- in the real world such as cars, buildings, and industrial equipment, IoT promises to revolutionize how we live and work. A lot of industries are beginning to adopt this technology on to their operations to increase their productivity and improve efficiency.

This program aims at providing an opportunity for participants to enrich their knowledge and skill in developing various solutions for solving engineering problems in the society. This program serves as a platform for research scholars, faculty, engineers and students to interact on cutting edge technologies in IoT. This workshop gives Hands on experience on IoT.

TWO DAY NATIONAL HANDS-ON WORKSHOP
INTERNET OF THINGS (IoT)
 2020 FEB 28-29

ORGANIZED BY
 DEPARTMENT OF COMPUTER SCIENCE
NAM COLLEGE KALLIKKANDY
 (Govt Aided College, Under Kannur University)
 Accredited By NAAC with B GRADE
 Kallikkandy Post, Thalassery, Kannur District, Kerala - 670693
 Ph: 0490-2463067, www.namcollege.in
 Email: namcollege@yahoo.co.in

About the workshop
 Internet of Things (IoT) is presently a hot and happening technology in worldwide. It has spread into most of the businesses in the modern world and has become an integral and inevitable part of our daily lives. Government, academia, and industry are involved in different aspects of research, implementation and business with IoT. It is the integration of internet connectivity into physical devices and everyday objects. This technique will improve public safety, intelligent tracking in transportation, industrial wireless automation, machine to machine communication and personal health monitoring in healthcare with better information and faster communication. In the consumer market, IoT technology is most synonymous with products pertaining to the concept of the "smart home", covering devices and appliances. The IoT concept has faced prominent criticism, especially in regard to privacy and security concerns related to these devices and their intention of pervasive presence. Therefore, it is very important to learn the fundamentals of this emerging technology. This workshop introduces you to the amazing world of IoT and its fascinating applications and various research areas in communication, automation, smart sensor, networking and internet protocol.

Objective

- Knowing new platforms in Internet of Things.
- Scope for future jobs in various industries.
- Introduction and description of core concepts of IoT, role and scope of smart sensors for ensuring convergence of technologies
- Identifying research opportunities in IoT technology, applications and services
- Help you one get acquainted with IoT in the early stage.

Registration

- There is a registration limit of 40 participants for this workshop (priority given Faculty and Scholars based on FCS basis).
- Participants may register your Name, College address, Email and Mob No through email and also through the given link.

Email for registration: sharmeeap@gmail.com
 Link: <https://forms.gle/2L0T0vM99K87z993>

Participants

- All Faculty Members
- Industry Delegates
- Students (BTech/MEch/MPHIL, MSc/ SSC Computer Science, Physics, Maths, etc.)

Workshop Highlights

- Introduction to IoT.
- Introduction to Cloud Computing
- Networking, Communication Protocol
- NODE MCU Hardware
- Introduction to Sensors and Actuators
- Hardware and Software technology
- Research issues in IoT
- Simulating Multi Hop network in Cooja
- Setting up mobile scenario in Cooja
- Simulating MAC and routing Protocol in Cooja
- Graph generation from Weeshark
- Configuring and setting up real WSN testbed
- Architecture of IoT.
- IoT Security
- WSN Deployment Architecture
- Server Communication
- IoT Server

Registration Fees

Industry Delegates	Rs. 750	Registration release	15-Feb-2020

WORKSHOP ON WEBDESIGNING

The PG department of Computer Science conducted one day workshop on web designing for high school students. The programme was at Kadavathoor high school. It is an extension programme by the department. The classes were handled by final year students of Computer Science department. Dr V.K. Minimal co-ordinate the programme. The students were participated actively. They captures the code writing in HTML very fast and they designed simple web pages.

NATIONAL WEBINAR ON MACHINE LEARNING AND ITS APPLICATIONS

Department of Computer Science, NAM College Kallikkandy organized National webinar on Machine Learning and its Applications in association with IQAC on 23 Oct 2021. The webinar was inaugurated by Dr. K K Muhammed Kutty Principal. Sri. Muhammed Shafi P, HoD CS department presided over the function. Dr. Muhammed Ismayil K M, IQAC coordinator, Dr. Minimol V K, Dr. Haseeb V V, Smt Sreeja K V felicitated the function. Dr. Shameer A P, co-ordinator of the program welcomes the gathering and Sri. Rajil K P, Assistant Professor, expressed the vote of thanks. Dr. RAJKUMAR SOUNDRAPANDIYAN, Associate Professor, School of computer Science and Engineering, VIT, Velloor was the resource person. He gave a talk on Machine Learning and its Application.

In his speech, he discussed the definition of machine learning and discussed a few algorithms used by machine learning like **Supervised Algorithm**, **Unsupervised Algorithm**, **Semi-Supervised Algorithm** and **Reinforcement Algorithm**. He also pointed out some **important benefits of ML especially use of in our real life**. Various Applications of Machine Learning from Day-to-Day Life is also discussed in a simple way. Overall his speech was informative and interactive. The talk was benefited to all participants especially the young faculties and research scholars.

Total 172 members participated from various states like Kerala, Pondicherry, Tamilnadu, Karnataka etc. Total 321 members registered from various states. [82 from Kerala, 4 from Karnataka, 8 from Pondicherry, 211 from Tamilnadu, 19 from other state]. Total 134 members submitted the feedback form and also issued E Certificates.

WORKSHOP ON RESEARCH METHODOLOGY AND ACADEMIC WRITING

The Department of English conducted a Workshop on Research Methodology and Academic Writing on **10.3.2021** at the Seminar Hall of the College. The Resource person was Mr. Shivshankar, a Ph.D scholar of Kannur University. Students from the P G and UG departments of English attended the workshop. The programme was inaugurated by the Principal of the college Dr. Mohammed Kutty KK. In the three hour session, the chief speaker initiated the English Undergraduate and Postgraduate students into the process of research, research methodology and documentation. The basics of topic selection were also focused on. Documentation was given special emphasis as submission of a dissertation and project is an essential part of both the PG and UG programme. The MLA stylesheet 8th edition was used as a point of reference. The half day session came to an end at 1.30.

Research methodology workshop

NATIONAL WEBINAR ON RESEARCH METHODOLOGY IN COMPUTER SCIENCE

The Department of Computer Science, NAM College Kallikkandy organized a webinar on Research methodology in computer science in association with IQAC on 2nd October 2021. Dr. Muhammed Kutty K K, Principal, inaugurated the function. Sri Muhammed Shafi P, HOD of computer science department presided over the function.

Dr. JAYAPANDIAN N, Associate Professor, Christ University was the resource person. It was an excellent presentation that covers the basics of research and methodologies that are possible in computer science. He also shared the topics in types and quality of readership journals. Publishing research articles etc. Around 190 participants from various states were participated in the programme. It was really informative. Dr. Minimol V K delivered the welcome speech. Dr. Shameer A P, Dr. Haseeb VV were felicitated in the programme. Mr Firdouse N delivered the vote of thanks. E-Certificate also provided after the programme.

RESEARCH METHODOLOGY IN COMPUTER SCIENCE

SOFTWARE DEVELOPMENT WORKSHOP

The Computer Science Department of NAM College Kallikkandy has organized one day webinar workshop on software development. The programme was conducted in association with IQAC on 12-09-2020. Dr. K K. Muhammed Kutty, Principal, inaugurated the function. Sri. Muhammed Shafi P, Head of the department computer science, presided over the function. Dr. Minimol VK, Convener, delivered the welcome speech. The co-ordinator Lt. Shameer A P expresses the vote of thanks. All the faculties of UG and PG department of computer science were actively participated the function. Around 200 students from various college under Kannur and Calicut University were participated the function. Some teaching faculties are also participated. Mr. Likhil T, project manager and Mr. Aswin P, project co-ordinator, Riss Technologies, Kannur, act as resource persons. In the workshop introduced various steps involved for developing projects. The workshop discussed the life cycle of the software development. Language and topics and other important steps involved in the software developed were discussed. Really the programme was interesting and useful to the students. Participants send their feedback.

LIFE SKILL TRAINING PROGRAMME LIFE SKILLS FOR WOMEN EMPOWERMENT

Department of Computer Science, NAM College Kallikkandy organized women empowerment program on **life Skills for Women Empowerment** in association with Women Cell, IQAC and Annex Psychology and Educational Research Center, Kallachi on 10 Feb 2022.

The Programme was inaugurated by our beloved Principal Dr. K K Muhammed Kutty. Sri. Muhammed Shafi P, HoD, presided over the function. Dr. Muhammed Ismayil K M, IQAC coordinator, Ms. Shabina K K, Women Cell Co ordinator, Dr. Haseeb V V, felicitated the function. Dr. Shameer A P, co-ordinator of the program welcomed the gathering and Sri. Firdouse N, Assistant Professor offered the vote of thanks.

The resource persons were Smt. Rahina P, Assistant Professor and HOD, Department of Psychology, Malabar Arts and Science College for Women, Chekkiad and famous Consultant Psychologist and Smt. Swaliha Backer, Research Scholar in psychology, Lovely Professional University-Punjab and Consultant Psychologist.

Life skills for women empowerment programme aims to empower the students, especially girls, both personal and professional skills in the areas of understanding of self and others, interpersonal skills, high performance teams, leadership potential, communication & presentation skills, techniques of problem solving, decision making, fostering creativity and innovation for personal and professional excellence, stress management, time management and conflict management and inculcation of human values.

Three hours session focussed on promoting confidence and well-being of the students. This class was beneficial to the participants in exploring themselves through group discussions and confidence building techniques. This program helped the students become more powerful in terms of various skills. Many students gave their valuable feedback about the programme. About 60 students participated in the programme. Program starts on 10.30 pm and end by 1.30 pm.

SEMINAR ON NATIONAL SCIENCE DAY

National Science Day Celebration was conducted by the Department of Polymer Chemistry & Science Club in association with IIC & IQAC on 28-02-2022 , Monday. Smt Anusree K welcomed the gathering and introduced the importance of the day in connection with the commemoration of the discovery of Raman effect by Dr.C.V Raman , the Physics Nobel laureate of India.

Dr .K K. Muhammed Kutty inaugurated the programme. Seminar on the topic Raman effect and Rotational spectroscopy was also conducted as part of the programme. College level quiz competition was also conducted for the Degree Students and 40 students participated in the programme. Cash awards were distributed to the quiz competition winners..

National Science Day Celebration

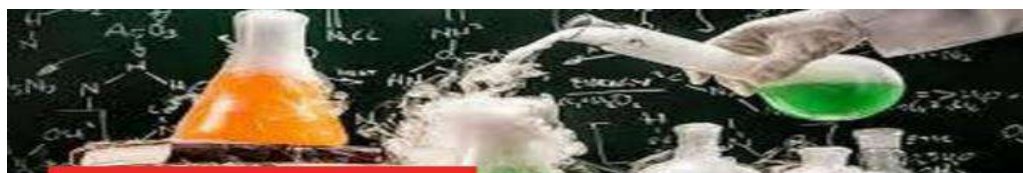

WEBINAR ON CAREER TALK

Department of Polymer Chemistry, in association with IQAC & Career Counselling Cell conducted a webinar on 'Career and Opportunities in Chemistry' on 30-09-21. College Principal Dr. Muhammad Kutty KK inaugurated the programme. Fazil T P, a Polymer Chemist at Qatar Petrochemical Company was the resource person.

The poster is divided into two main color sections: a green left side and a grey right side. At the top left is the logo of Nam College Kallikkandy. Below it, text reads: 'Organised by Department of Polymer Chemistry In Association with IQAC & CAREER AND COUNSELLING CELL NAM COLLEGE KALLIKKANDY'. The platform is listed as 'Google Meet'. The date and time are '30/09/21 11 AM'. The right side features the title 'A WEBINAR ON *Career Talk* Career & Opportunities in Chemistry'. Below this, it identifies the 'RESOURCE PERSON' as 'Fazil TP, M.Sc., M.Phil., B.Ed., Polymer Chemist, Qatar Petrochemical Company', accompanied by a small portrait photo. The inauguration is by 'DR. MOHAMED KUTTY, Principal, NAM College Kallikkandy'. At the bottom of the poster is a photograph of the college building, a large, multi-story structure with a red-tiled roof and greenery in front.

CAREER GUIDANCE PROGRAMME 'A REVISIT TO CAREER PROSPECTS IN CHEMISTRY'

Department of Polymer Chemistry in collaboration with IQAC organized a webinar on 'A revisit to career prospects in Chemistry'. The Head of Department, RI, Muhammad Ismayil K M presided over the function. Dr. Muhammad Kutty K K, inaugurated the webinar. BASHEER M C Asst. Professor, PSMO COLLEGE, THIRURANGADI presented the topic. Mr. Namshad K P, the Programme coordinator, welcomed the gathering. Around 63 students participated in the programme.

HANDS ON TRAINING TO ONLINE LEARNING USING GOOGLE CLASSROOM

Programme on hands on training to online learning using Google Classroom conducted by department of polymer chemistry to Fourth semester BSc Polymer chemistry students in association with NAM College Library. Sri. Munfar Kappil, UGC Librarian handled a class on Introduction to online learning and Sri. Namshad. KP, Asst Professor, Dept of Polymer chemistry handled a hands on practice session on Google Classroom. Vote of thanks was proposed by Fathimathul Shamiha, Second year Polymer chemistry student.

Hands on training to online learning using Google Classroom

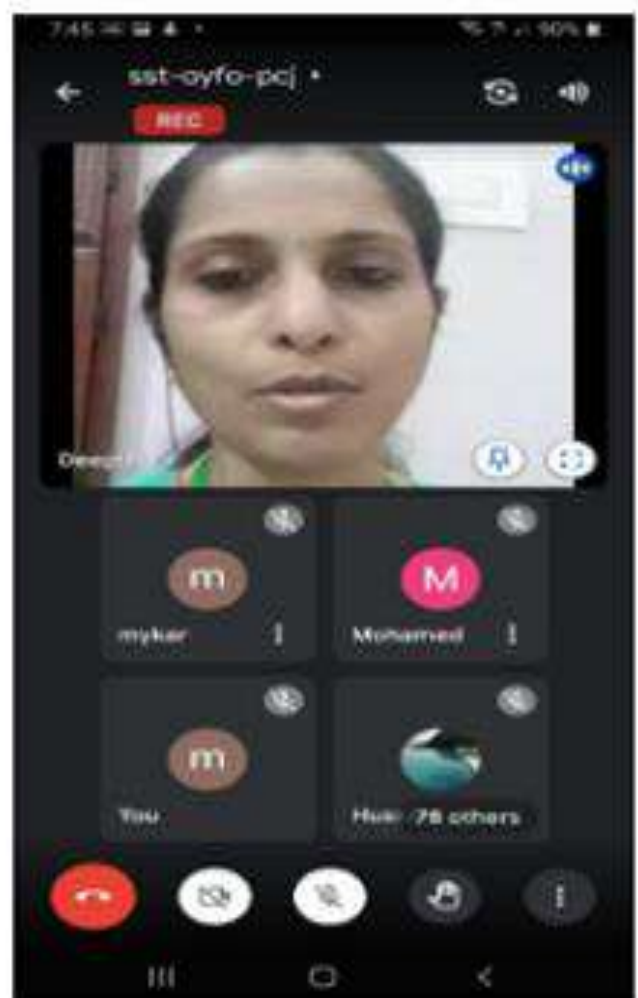

SEMINAR ON LEGAL RIGHTS FOR GIRLS:

Women Cell conducted a Seminar on “Legal Rights for Girls” in Association with National Women Commission and PG Department of Commerce, NAM College Kallikkandy on 09 November 2018. The seminar aimed at enhancing the awareness of Legal rights and Laws that protect Girls that are ensured by Indian Constitution. Dr. K K Muhammad Kutty, Principal NAM College Kallikkandy, inaugurated the programme. The session was handled by Advocate Babitha Balraj, Chairperson Child Welfare Committee, Kozhikode.

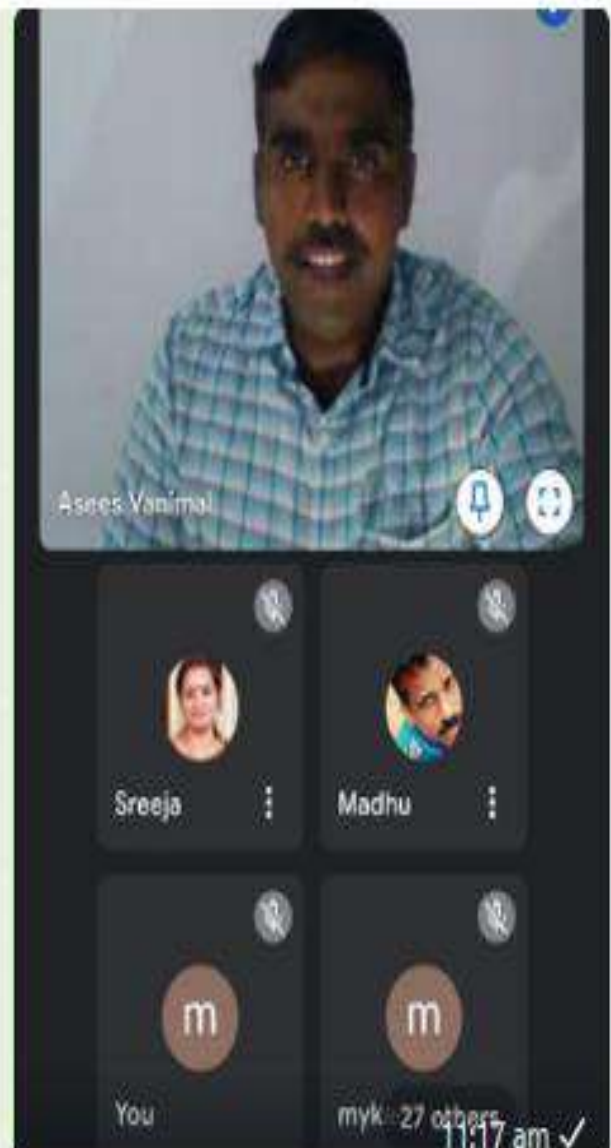

WEBINAR ON WELLNESS IN WOMEN'S LIFE

Women cell of NAM College conducted a webinar on the topic 'Wellness in women's life' on 13.10.2021 via Google meet. The programme started with the welcome address by Smt. Shabina K K, Co-coordinator, Women cell and inaugurated by Dr. K K Muhammed Kutty, Principal, NAM College. Dr. Deepthi V Nair (Special medical officer, Ayush gramam, Kuthuparamba) was the resource person. She gave awareness in women health, wellness for the wellbeing of society. The participants cleared their doubts regarding menstruation, and other issues related to women's health

WEBINAR ON CYBER WORLD- SURF SMART, STAY SAFE

A webinar on the topic 'surf smart, stay safe' was conducted on 16.10.2021 via Google meet. Dr. K K Muhammed Kutty, Principal of NAM College inaugurated the programme. Mr. Anees V (HSST computer science, GVHSS, kuttichira, Faculty, CG & AC Govt. of Kerala). He gave idea about the online platforms and the various facilities available related to our routine life. He also explained the negative impacts hidden while browsing such social platforms. This webinar was very helpful for both students and teachers because it was conducted during Covid pandemic period. During that time all the teaching- learning processes are switched into online mode. He gave a clear picture about how we can use the online platforms in a healthy way for educational and other day-to-day life purposes.

WEBINAR ON CERVICAL CANCER AND HPV VACCINATION

In connection with World cancer day women cell conducted webinar on the topic 'Cervical cancer and HPV vaccination' on 04.02.2022 via Google meet. Dr. Umesh Shaligram (Senior scientist, HPV section, Serum institute of India, Pune) inaugurated the programme and the topic was elaborated by Dr. V C Ravindran (Medical Director, Malabar cancer care society, Kannur).The programme was aimed to give awareness on various types of cancers especially affect women. They mainly focused on cervical cancer and HPV vaccination and other methods available now for the early detection and treatment of cancer.

WEBINAR ON AN INTRODUCTION TO INNER PRODUCT SPACE

The Department of Mathematics organized a webinar on **9/10/2021**. The topic of the webinar was '**An Introduction to Inner Product Space**'. The webinar was inaugurated by Dr. Muhammed Kutty K K, Principal, N A M College and chaired by Mr. Shaju K, HOD of Mathematics. The technical session was handled by Mr. Suresh E V, Assistant Professor, Department of Mathematics, Payyannur College. In the session he discussed about the concept of Inner Product Space and its applications. **Total 63 persons** participated via Google meet

The poster is for a webinar titled "An Introduction to Inner Product Space". It features the logo of N A M College Kallikkandy in the top left corner. The text "N A M COLLEGE KALLIKKANDY DEPARTMENT OF MATHEMATICS" is displayed in yellow. A pink arrow points to the title "An Introduction to Inner Product Space" in cyan. Below the title, a yellow box identifies the "Resource Person" as Mr. Suresh EV, Assistant Professor at Payyannur College. A circular portrait of Mr. Suresh EV is shown. The Google Meet logo is present with the text "Join". A pink banner at the bottom indicates the date and time: "On 09/10/2021 Saturday at 10.30 AM". The footer states it is organized by the Department of Mathematics in association with IQAC NAMC.

ONE DAY WORKSHOP ON CREATIVE WRITING

As part of academic innovation, a one-day workshop on Creative writing in English was conducted. The programme was facilitated by Mr. M Noushad -Assistant professor, MBL media school, Calicut on 20 July 2017. Selected students of the UG and PG classes participated in the programme. The students were given a brief introduction to different forms of Creative Writing. This was followed by a practical session where different forms of writing such as poetry writing, short stories, flash fiction, short plays and film script writing were assigned to different groups of students. This one day session was aimed at honing the creative skills of the amateur writers in the audience. The workshop enabled the students to practice the various forms of Creative Writing they studied in their course.

ENGLORA

UGC librarian, Sri. Munfar Kappil conducted a workshop for the second year students of the English Department on 26 July 2019 at the college seminar hall on ICT integration in education. He introduced various learning and online resources that are available and explained how students can use them for their general academic and personal growth. He said that ICT fosters a more active student collaboration in the acquisition of technological knowledge by enabling the utilization of cutting-edge educational resources and the renewal of teaching strategies. Reasons for ICT Integration in Education, Uses of ICT integration, benefits of ICT integration, and impact of ICT integration in education were discussed in detail.

WORKSHOP ON RESEARCH METHODOLOGY AND PROJECT MANAGEMENT

The Department of English organized a **Workshop on Research Methodology and Project Management** for the students of the PG and UG department of English on 30 December 2018. The workshop was conducted by MR Dhanesh, a research scholar from Kannur University. The programme was inaugurated by the Head of the Department of English, Dr. Yusuf Arun. Teachers and students of the UG and PG department of English attended the programme. The workshop provided an orientation into the process of research, methodology, documentation and project preparation. The first session focused on the selection of the topic and how to select the necessary materials to develop the topic into a project report. The second session focused on the writing of the project report using the MLA Handbook 8th edition. The workshop was extremely relevant for the final year BA and MA students as project and dissertation are course papers in their final year of study.

NATIONAL SEMINAR ON WRITING FOR MEDIA

A One Day National Seminar on “WRITING FOR MEDIA: WRITING AT THE CROSSROADS’ was organized on 2nd August 2019. It was inaugurated by Dr. Samarjit Kachari, Dept. of Electronic Media and Mass Communication, Pondicherry University. The programme consisted of three sessions by renowned academicians and media experts.

Session 1. Writing For Media in the Age of Convergence - Dr. Samarjit Kachari

Session 2. Limits of Language: Prasanth M P [Chief of Bureau, Times of India]

Session 3. New Media: Imagination, Production and Presentaion of Literature in Alternative Publishing Spaces: Anulal, Writer and Educator. This was followed by paper presentations by the PG and UG students.

About the College

N.A.M College Kallikkandy is an aided college affiliated to Kannur University. It was established in 1995 by Muslim Educational Foundation, Panoor with the sole aim of serving the people by imparting quality education. It has mushroomed into one of the premier educational institutions in north Malabar, spreading the fragrance of education in the society. The college lies eight kilometers away from Panoor and one kilometer away from Kallikkandy town by road.

About the Seminar

Despite being a separate and established discipline, Writing for Media has been part of the UG English syllabus for a long time. The intra-disciplinary nature of the subject makes it an area of close study for literature students. Both the disciplines use language in seemingly disparate yet almost identical ways. Most often, journalistic writing approaches the domain of art when the methods employed in creative writing are used in an effective manner. Moreover, just as creative writing has undergone many changes in presentation and effect, changes have also taken place in the art of journalistic writing, especially so with the advent of visual and social media. The seminar, Writing for Media: Writing at the Crossroads, organized by the Department of English, N.A.M College Kallikkandy on 2nd August 2019, seeks to highlight the shifting processes at work in writing with special focus on the present transitional scenario.

INVITED LECTURE

In connection with the retirement of Dr. Yusuf Arun (HOD of Department Of English) and the Silver Jubilee celebrations of the college, an Invited Lecture by Dr. K K Kunhammad, Head, Department of English Studies ,Kannur was organized on 24th February 2020. The subject of the lecture was Reading/Teaching Literature. The main focus of the lecture was to bridge the gap between literary theory and sense in reading literature. The talk focused on ways of approaching literature. Mimetic, objective, expressive and pragmatic dimensions of reading were focused on. The lecture also explored the diverse motives and mysteries of why we read.

The poster features a dark background with a blurred image of a man speaking. At the top right is a small logo. The main text is centered and reads: 'INVITED LECTURE' in gold, 'READING / TEACHING LITERATURE' in large white letters, 'On 24 February 2020' in green, and 'At Seminar Hall' in green. Below this is a yellow box containing the speaker's name and title, and a small photo of the speaker. At the bottom, it says 'Organized By THE DEPARTMENT OF ENGLISH NAM COLLEGE KALLIKKANDY'. Contact information and a welcome message are at the very bottom.

An interactive training session

SREEJITH KANHILASSERY
(Acting Trainer, Theatre Activist, Ad Film Director)

**16 FEBRUARY 2022
01:00 PM**

The Department of English organized a Theatre Workshop and Interactive Training Session as part of the English Association inauguration. The Association was inaugurated by theatre activist, acting trainer and film director, Sreejith Kanhilassery. The resource person is a gifted artist who has made his mark as an actor, acting trainer and debater at an early age. The audience consisted of students of the UG and PG departments of English. The workshop attempted to bring out the talents lying dormant within the students through selected games and exercises. The trainer gave practical sessions on team building, team management, interpersonal skills and presentation skills. The activity-oriented training session aimed at helping to combat stage fright and enhancing the students' self-confidence by assigning them tasks to be performed in front of a big audience. The programme was inaugurated by the Principal, Dr. K. Mohammed Kutty. The English Association Secretary Naja Fathima of the II BA English class made the Welcome Speech. The Head of the English department, Mrs Priya Nair presided over the event. Felicitations were offered by the various members of the staff. The programme came to an end with a vote of thanks rendered by Hanna Beevi, from the II English class.

WEBINAR ON A VOICE OVER THE FACTS: HYPERREALITY , MEDIA AND NEWS

The Department of English organized a Journalism Webinar on the topic A VOICE OVER THE FACTS: HYPERREALITY, MEDIA AND NEWS on March 17, 2022. The Resource person was Musthafa Mubashir, Assistant Professor, Department of Media Studies, Reva University, Bengaluru, India. He is also a Senior Research Fellow (SRF) and submitted thesis to Pondicherry University for the doctoral degree. The webinar focused on reading reality and hyperreality in the light of media. It threw light on how misinformation and disinformation affects our lives and how we can identify fake information/news. The focus of the webinar was to fetch practical and theoretical aspects of disinformation and misinformation and make us aware of the reality behind facts presented by the media.

The Power of Information: Why good info matters

GOOD INFORMATION LEADS TO GOOD DECISIONS

- Help individuals to understand the challenges they confront
- Helps adopt an evolving environment
- Improving their health, lives
- Care for your family
- Vote with knowledge
- Control of your life
- Control of your body

internews data.ii LEADS

Focus on whether the information addresses more than whether the information is 'good' or 'bad'.

GENDER SENSITIZATION WORKSHOP

Gender sensitization refers to the raising sensitization of gender equality concerns. It helps people in examining their personal attitudes and beliefs and questioning the realities of both sexes. Gender sensitization make people understand the difference between sex and gender, how gender is socially constructed and the stereotypes around gender roles It helps them determine which assumptions in matters of gender are valid and which are stereotyped. Need of gender sensitization is to create awareness among the working professionals about the importance of gender sensitivity in organization. Without being sensitive to the needs of a particular gender, an individual may refrain from understanding the opposite gender.

Gender is socially learned behavior, based on social expectation from men and women. The women and children are most vulnerable group of this situation. And it's the undue pressure on boys and girls to live up to the established norms of masculinity and femininity. Girls endure unwarranted social control, discrimination and domination. Boys discouraged from being emotional, gentle or fearful. Gender sensitization gives a clear and precise view about gender and help to understand that gender is not about "Women" it's about "People".

Keeping this in mind, Ponnu Ima and Navya Nochad (SEK Foundation) conducted a Gender Sensitization workshop on Saturday, 26 March, 2022 from 10 am to 1 pm at NAM College Kallikkandy. The programme was organized by the Department of English in association with Women's Cell and IQAC, NAM College Kallikkandy.

The Head of the Department, Priya Nair inaugurated the workshop. Nasrullah Mambrol, Asst. Professor of English and the coordinator welcomed the participants and resource persons. Faculty members of the English department including Ms. Sheethal, Sri. Bilal Shibily, Sri. Sadiq KP, Ms. Silpa and Mrs. Shasni Afzal were present.

SEMINAR ON RESEARCH METHODOLOGY

The Department of English, NAM College, Kallikkandy organized a guest lecture in the subject of Research Methodology on 21 December, 2022 at 10.00 am at the Seminar Hall. The Resource person was Sudeep SD, Assistant Professor and Head in the Department of English, Govt. College, Nadapuram. The session was attended by the students of final year B.A. English. The Programme began with Asst. Prof. Mr. Nasrullah Mambrol introducing the resource person. Dr. Majeesh. T., Principal, NAM College, Kallikkandy inaugurated the session.

Sudeep SD actively interacted with the students on the topic of 'Research Methodology'. He discussed the aims of conducting research, what research is and is not, the difference between methods and methodology. Research methods may be understood as all techniques used by the researchers during the course of studying the research problem. Research methodology involves various steps generally adopted by a researcher in studying the research problem along with the logic behind them. He also covered the deductive and inductive approaches adopted in research. The resource person also spoke about the components of a theory in research i.e. What, How and Why and the importance of boundary conditions i.e. Who, Where and When. Then he went on to speak about the process involved in research in greater detail.

The resource person stressed on the importance of review of literature i.e. why it is important, why a researcher should not stop and continue reviewing the existing literature till the time of data collection. He also gave his insights on how to review the existing literature in a particular area of research, and how to identify the research problem and research gap. Dr. Sudeep's SD's presentation concluded with an interactive session with the students. The programme ended with a vote of thanks proposed by Ms. Naja Usman, student of final B.A. English. A total of 33 students participated in the event.
