

## **REPORT : DREAM A GOAL**

**DATE: 29-08-2024**

The Department of Computer Science organized a program titled "Dream a Goal" on August 29, 2024. The event was designed to help students define and pursue their future career objectives, with a particular emphasis on strategies for securing state and central government job opportunities. The session provided a thorough overview of the different pathways to obtaining government positions, highlighting effective preparation methods and approaches for success.

Program Objectives are:

- Introduction to Government Jobs: Familiarize students with the different types of government jobs available and their respective requirements.
- Application Process: Guide participants on the application procedures for government jobs.
- Preparation Strategies: Offer insights into preparing for competitive exams and interviews.
- Career Pathways: Discuss long-term career planning and progression within the government sector.

The program was inaugurated by Dr. Shameer A P, Head of the Department. Dr. Haseeb V V, Assistant Professor, presided over the session, while Sri. Muhammed Shafi P, Assistant Professor, provided a brief introduction to the event. Dr. Mini Mol V K offered her felicitations during the function. The program was conducted in collaboration with the CIGI Panoor chapter. Mr. Ramees Master, CIGI District Director and a renowned career counsellor, served as the resource person for the session.

The program received positive feedback from participants, who valued the detailed information and practical advice provided. Many students felt more confident about pursuing government jobs and appreciated the interactive nature of the sessions. The "Dream a Goal" program successfully fulfilled its objective of guiding students through the process of securing government jobs. By offering a structured approach to understanding job opportunities, application processes, and preparation strategies, the program has equipped participants with the tools needed to pursue and succeed in government careers.
