INTERACTION WITH ALUMNI
14-JAN 2025

The Department of Computer Science, NAM College Kallikkandy, organized an Interactive Programme with a Notable Alumni on 14th January 2025. The event was graced by the presence of Mr. Asees V, an esteemed alumnus from the 1999–2002 batch of the Computer Science Department. Currently serving as an HSS Teacher at Government HSS Valayam, Mr. Asees is also a distinguished career guidance and adolescent counsellor.

The programme was inaugurated by Dr. T. Majeesh, the Principal of the college, while Dr. Shameer A. P., Associate Professor and Head of the Department of Computer Science, chaired the function. Sri. Firdouse N, the Secretary of the Alumni Association, extended a warm welcome to the gathering.

During the event, Mr. Asees V delivered an engaging and insightful talk on the topic "Networking Trends and Challenges", which captured the interest of students and faculty alike. He discussed the latest advancements in networking technologies, the challenges faced in adapting to them, and how students can equip themselves to excel in this dynamic field. His ability to blend technical knowledge with practical advice for career development left a lasting impact on the audience.

The function also included felicitation speeches by Dr. Haseeb V. V., Sri. Muhammed Shafi P., and Dr. Minimol V. K., faculty members of the Department of Computer Science, who emphasized the importance of alumni connections in inspiring current students.

The interactive session provided students with an opportunity to engage directly with Mr. Asees, ask questions, and gain insights into both networking technologies and career planning.

The event concluded with a vote of thanks delivered by a student representative, Sri Muhammed Sanih, marking the successful completion of a meaningful and inspiring programme. The Department of Computer Science extends its gratitude to Mr. Asees V and all the faculty members and students who contributed to the success of this initiative.
