10) ASSOCIATION INAUGURATION-MATHEMATICS DEPARTMENT

The Association Inauguration of the Department of Mathematics was held on Thursday, 5th February 2026, at 10:00 AM in the Seminar Hall. The function was inaugurated by Dr. Shameer A. P., Principal of NAM College. Mr. Muhammad Jabir C., Head of the Department of Computer Application, MM Knowledge College, Taliparamba, attended the event as the Chief Guest.

Departmental activities

PG Department of Commerce

Major Activities

- **Merit Day and Convocation**

The Department of Commerce, N.A.M. College Kallikkandy, proudly organized the Merit Day and Convocation Ceremony for the B.Com 2022–2025 batch on 3rd June 2025 at 10:30 AM in the college seminar hall.

The programme began with a warm welcome speech by Sri. Arif M.K., who greeted all dignitaries, faculty members, students, and parents present.

The session was presided over by Dr. Ashraf E, Head of the Department of Commerce, who highlighted the importance of such gatherings in recognizing student achievements and strengthening the bond between the department and its alumni.

- **Research Methodology and Project Preparation**

The PG Department of Commerce, N.A.M. College Kallikkandy, in collaboration with Sir Syed College, Taliparamba, organized a Student Exchange Programme on **Research Methodology and Project Preparation** on 4 December 2025. The programme focused on research design, data collection, research methodology, and project preparation. It helped students develop research skills and a better understanding of academic project work.

- **Old Age Home Visit**

The PG Department of Commerce organized an **Old Age Home Visit** to Sneha Nikethan Old Age Home on 9 February 2026. Eighteen M.Com students participated in the programme. Students interacted with the elderly, listened to their life experiences, conducted informal activities, and distributed essential items. The visit helped develop empathy, compassion, respect, and social responsibility among students.

- **Children's Day Celebration – Community Outreach Programme**

The PG Department of Commerce organized a **Children's Day Celebration** at Thuvakkunnu Government L.P. School on 14 November 2025. B.Com students conducted games, interactive sessions, and recreational activities for the children. Balloons and small gifts were also distributed. The programme promoted happiness, social responsibility, teamwork, empathy, and community engagement among students.

- **K-MAT Pathway Orientation**

An orientation programme was conducted to introduce students to the K-MAT examination, admission pathways, eligibility criteria, and career opportunities in management education. The session helped students understand how K-MAT can support their higher education and career aspirations.

- **Workability and Industrial Training Programme**

A workability and industrial training programme was organised to familiarise students with workplace practices, professional skills, and industry expectations. The programme focused on bridging the gap between academic learning and practical employment requirements.

- **Traffic Awareness Programme**

A traffic awareness programme was conducted to educate students about road safety, responsible driving, traffic rules, and pedestrian safety. The programme encouraged students to develop safe and responsible behaviour on the road.

- **Employability Skill Training Programme**

The programme focused on developing essential employability skills such as communication, teamwork, problem-solving, interview skills, and professional etiquette. It aimed to enhance students' confidence and preparedness for the job market.

- **Narikkottumala Tribal Colony Visit**

Students visited the Narikkottumala Tribal Colony as part of a community engagement initiative. The visit provided students with an opportunity to understand the social, economic, and educational realities of tribal communities and to interact with the residents.

- **Green Initiative and Sustainability**

The department organised activities promoting environmental awareness, sustainable practices, waste management, and responsible use of natural resources. Students were encouraged to adopt environmentally friendly practices in their campus and daily lives.

- **Interaction with Entrepreneur – A Real Success Story**

An interactive session with a successful entrepreneur was organised to expose students to real-life entrepreneurial experiences. The session motivated students by providing insights into business challenges, innovation, decision-making, and the journey towards success.

- **Enrolled Agent Orientation**

An orientation programme was conducted to introduce students to the role, responsibilities, career opportunities, and professional requirements of an Enrolled Agent. The session helped students explore career possibilities in taxation and international accounting-related services.

- **Health and Wellbeing – Fitness Training Programme**

A fitness training programme was organised to promote physical health, fitness, and overall wellbeing among students. The programme highlighted the importance of regular exercise and maintaining a healthy lifestyle.

- **Stress Management**

A stress management programme was conducted to help students understand the causes and effects of academic and personal stress. Students were introduced to practical techniques for relaxation, emotional balance, time management, and maintaining mental wellbeing.

- **Constitution Day**

The Commerce Department observed Constitution Day with activities aimed at

creating awareness about the Constitution of India, fundamental rights and duties, democratic values, and constitutional principles. The programme encouraged students to become responsible and informed citizens.

History Department

Major Activities

1. Physical Health Day

The department observed Physical Health Day by organising activities that highlighted the importance of physical fitness, healthy habits, and an active lifestyle. Students were encouraged to give greater attention to their physical wellbeing.

2. Mental Health Awareness Programme

A mental health awareness programme was conducted to help students understand the importance of emotional wellbeing and psychological health. The programme encouraged students to adopt healthy coping strategies and seek support when needed.

3. Children's Day

Children's Day was observed with activities highlighting the rights, wellbeing, education, and aspirations of children. The programme also reflected on the importance of creating a supportive environment for their overall development.

4. Gandhi Jayanti

Gandhi Jayanti was observed to commemorate the birth anniversary of Mahatma Gandhi and to promote the values of truth, non-violence, simplicity, and social responsibility. Students participated in activities reflecting Gandhian ideals.

5. Hiroshima Day

Hiroshima Day was observed to remember the victims of the atomic bombings and to create awareness about the devastating consequences of nuclear warfare. The programme promoted the values of peace, humanity, and global harmony.

6. Kerala Piravi

Kerala Piravi was celebrated to commemorate the formation of the state of Kerala and to highlight its rich cultural, linguistic, and historical heritage. Students participated in activities celebrating Kerala's traditions and identity.

7. Mental Health Day

World Mental Health Day was observed with awareness activities focusing on emotional wellbeing, stress management, and the importance of seeking appropriate support. The programme encouraged students to give equal importance to mental and physical health.

8. National Education Day

National Education Day was observed to highlight the transformative role of education in individual and societal development. The programme also remembered Maulana Abul Kalam Azad and his contributions to education in India.

9. **Reinterpreting 1921**

A special academic programme titled “**Reinterpreting 1921**” was organised to encourage students to critically examine the historical events of 1921 from multiple perspectives. The programme promoted historical inquiry, discussion, and a deeper understanding of Kerala’s past.

10. **Human Rights Day Observation**

Human Rights Day was observed to create awareness about the Universal Declaration of Human Rights and the fundamental dignity and equality of all people. Students were encouraged to understand and uphold human rights and social justice.

11. **National Voters’ Day**

National Voters’ Day was observed to promote awareness about the importance of voting and responsible participation in the democratic process. The programme encouraged students to become informed and responsible citizens.

12. **Mastering Linguistic Skills**

A programme on “**Mastering Linguistic Skills**” was organised to improve students’ communication, vocabulary, presentation, and language proficiency. The session aimed to strengthen their academic and professional communication skills

13. **Mythri Special Day**

Mythri Special Day was organised to promote friendship, mutual understanding, inclusiveness, and social harmony among students. The programme provided an opportunity for students to celebrate diversity and strengthen interpersonal relationships.

14. **Smile Programme**

The **Smile Programme** was organised as a student-oriented social and wellbeing initiative aimed at spreading positivity, happiness, and a sense of belonging. The programme encouraged students to support one another and create a more positive campus environment.

English Department – Major Activities

1. **Interactive Talk: “Smart Solutions for a Greener Tomorrow” – Technology in Waste Management**

An interactive session was organised to explore the role of modern technology in effective waste management and environmental protection. The programme

encouraged students to think creatively about sustainable and technology-driven solutions for a greener future.

2. **Basheer Anusmarana Dinam**

Basheer Anusmarana Dinam was observed to commemorate the literary contributions of the renowned Malayalam writer Vaikom Muhammad Basheer. The programme highlighted his unique writing style, humanistic vision, and significant place in Malayalam literature.

3. **National Space Day – Film Screening of *Interstellar***

National Space Day was observed through a screening of the acclaimed science-fiction film *Interstellar*. The activity encouraged students to explore concepts related to space, science, human curiosity, and the possibilities of scientific discovery.

4. **Visual Design Workshop**

A visual design workshop was conducted to introduce students to the fundamentals of visual communication, creativity, design principles, and digital presentation. The session provided hands-on exposure to developing effective and attractive visual content.

5. **Independence Day Celebration**

The department actively participated in the celebration of India's Independence Day, highlighting the values of freedom, unity, democracy, and national responsibility. Various activities were organised to instil patriotism and civic consciousness among students.

6. **Edroot Career Counselling Class**

A career counselling session was organised in association with Edroot to familiarise students with higher education and career opportunities. The programme provided guidance on career planning, skill development, and making informed professional choices.

7. **Book Nook – Reading Space Established**

A dedicated “**Book Nook**” reading space was established to cultivate reading habits and promote a vibrant literary culture among students. The initiative provides students with a comfortable space to explore books and engage in independent reading.

8. **Growing Beyond Boundaries**

“**Growing Beyond Boundaries**” was organised as an initiative to encourage students to move beyond conventional academic limitations and explore new ideas, skills, and opportunities. The programme emphasised personal growth, creativity, confidence, and broader perspectives.

9. **Opparam – Visit to Thanal**

As part of the “**Opparam**” initiative, students visited Thanal and interacted with the organisation and its activities. The visit provided students with an opportunity to understand social responsibility, compassion, community engagement, and humanitarian initiatives.

10. Blood Donation Programme

A blood donation programme was organised to promote awareness about the importance of voluntary blood donation and its role in saving lives. Students and staff were encouraged to contribute to this meaningful community service initiative.

Management Studies Department – Major Activities

1. ACCA Orientation

An orientation programme on ACCA was organised to familiarise students with the professional qualification, eligibility, examination structure, and career opportunities in accounting and finance. The session helped students understand international career pathways in the field.

2. Market Your Future

3.

“**Market Your Future**” was organised to help students understand the importance of personal branding, career planning, communication, and professional skills. The programme encouraged students to identify their strengths and prepare themselves for future career opportunities.

4. Career Catalyst

The **Career Catalyst** programme focused on enhancing students’ career readiness through guidance on employability, skill development, and professional opportunities. It aimed to equip students with the confidence and competencies required for the changing job market.

5. Pathway to Mind

6. “**Pathway to Mind**” was organised to promote self-awareness, emotional wellbeing, and personal development among students. The programme encouraged students to understand their thoughts, emotions, strengths, and aspirations.

7. Quizpreneur

“**Quizpreneur**” was conducted as an engaging entrepreneurial quiz designed to develop students’ knowledge of business, entrepreneurship, innovation, and current affairs. The activity encouraged competitive learning and entrepreneurial thinking.

8. Tiny Smiles – Children’s Day Celebration

“**Tiny Smiles**” was organised as part of Children’s Day celebrations, focusing on bringing joy and meaningful engagement to children. The initiative helped students understand the importance of care, compassion, inclusion, and social responsibility.

9. Safe Hands

The “**Safe Hands**” programme was organised to create awareness about personal safety, responsible behaviour, and emergency preparedness. Students were

encouraged to develop a sense of responsibility towards their own safety and that of others.

10. Echoes of the Preamble

“Echoes of the Preamble” was organised to create awareness about the ideals and values enshrined in the Preamble to the Constitution of India. The programme encouraged students to reflect on justice, liberty, equality, and fraternity in contemporary society.

11. Human Rights Day Observation

Human Rights Day was observed to promote awareness of human dignity, equality, freedom, and fundamental human rights. The programme encouraged students to recognise their responsibilities towards building an inclusive and just society.

12. Peace Village Visit

Students visited Peace Village as part of a community-oriented learning initiative. The visit provided them with an opportunity to understand social service activities and reflect on values such as compassion, peace, cooperation, and community responsibility.

13. Health & Hygiene

A **Health and Hygiene** awareness programme was conducted to educate students about personal hygiene, healthy habits, sanitation, and preventive healthcare. The initiative encouraged students to adopt healthier practices in their daily lives.

14. Passage to Insight

“Passage to Insight” was organised as a knowledge and personal-development initiative designed to broaden students’ perspectives and encourage reflective learning. The programme provided opportunities for students to gain new insights beyond the conventional classroom environment.

Computer Science Department – Major Activities

1. Connect Smart – Seminar

A seminar titled **“Connect Smart”** was organised to familiarise students with emerging digital technologies, smart communication, and responsible use of digital platforms. The programme encouraged students to develop effective and technology-oriented approaches to learning and professional life.

2. Electoral Literacy Programme

An electoral literacy programme was conducted to create awareness among students about the electoral process, voter registration, voting rights, and responsible participation in democracy. The initiative encouraged students to become informed and responsible voters.

3. **Google Gemini Workshop**

A hands-on workshop on **Google Gemini** was organised to introduce students to generative artificial intelligence and its applications in education, programming, research, and productivity. Students gained practical exposure to using AI tools effectively and responsibly.

4. **Flutter Workshop**

A practical workshop on **Flutter** was conducted to introduce students to cross-platform mobile application development. The programme provided hands-on experience in developing modern applications using Flutter and related technologies.

5. **Robotics Workshop**

A robotics workshop was organised to introduce students to the fundamentals of robotics, automation, sensors, and programming. The hands-on sessions encouraged students to develop problem-solving skills through practical technological applications.

6. **K-SMART Programme**

The **K-SMART** programme was introduced to familiarise students with Kerala's digital governance initiatives and technology-enabled public services. The programme highlighted how digital platforms can improve accessibility, efficiency, and transparency in public service delivery.

7. **National Science Day**

National Science Day was observed with activities aimed at promoting scientific thinking, curiosity, innovation, and awareness of scientific developments. Students were encouraged to explore the role of science and technology in addressing contemporary challenges.

8. **Biodiversity Awareness Programme**

A biodiversity awareness programme was organised to highlight the importance of conserving ecosystems, natural resources, and biological diversity. The initiative encouraged students to understand their role in environmental protection and sustainable development.

9. **Canva Design Tool Workshop**

A practical session on **Canva** was conducted to introduce students to digital graphic design and visual communication. Students learned to create posters, presentations, social media content, and other professional visual materials using the platform.

Polymer Chemistry Department – Major Activities

1. **Alumni Talk**

An interactive alumni talk was organised to provide students with insights into higher

education, career opportunities, and professional experiences. The session helped students connect their academic learning with real-world career pathways.

2. **NSS – Pain and Palliative Care Initiative**

As part of the NSS initiative, students participated in activities related to pain and palliative care, creating awareness about compassionate care and community support. The programme promoted empathy, social responsibility, and service-mindedness among students.

3. **Leadership and AI**

A programme on “**Leadership and AI**” was conducted to explore the changing role of technology and artificial intelligence in leadership and decision-making. Students were encouraged to develop leadership qualities while understanding emerging technological trends.

4. **Ozone Day Celebration**

World Ozone Day was observed to create awareness about the importance of the ozone layer and the need for environmental protection. Students participated in activities highlighting sustainable practices and the global efforts to protect the atmosphere.

5. **National Science Day**

National Science Day was celebrated to promote scientific curiosity, innovation, and critical thinking among students. The programme highlighted the importance of science and technology in addressing contemporary societal challenges.

6. **Constitution Day**

Constitution Day was observed to familiarise students with the values and principles enshrined in the Constitution of India. The programme highlighted the importance of constitutional rights, duties, democracy, equality, and justice.

7. **Election Awareness Programme**

An election awareness programme was organised to educate students about the electoral process, voter rights, and the importance of responsible participation in democracy. The initiative encouraged students to become informed and responsible citizens.

Mathematics Department – Major Activities

1. **Soft Skill Training**

A soft skill training programme was organised to strengthen students' communication, teamwork, problem-solving, presentation, and interpersonal skills. The programme aimed to improve their confidence and overall employability.

2. **Human Rights Day Celebration**

Human Rights Day was observed to create awareness about human dignity, equality, freedom, and fundamental human rights. Students were encouraged to understand the importance of respecting and protecting the rights of others.

3. **Health Literacy Programme**

A health literacy programme was conducted to enhance students' awareness of healthy lifestyles, preventive healthcare, and informed health-related decision-making. The programme encouraged students to adopt responsible and healthy habits.

4. **MathNext – Career Guidance Class**

“**MathNext**” was organised as a career guidance initiative to introduce students to higher education and diverse career opportunities related to Mathematics. The session helped students understand emerging pathways in teaching, research, data science, finance, technology, and other fields.

5. **Quiz Competition**

A quiz competition was conducted to promote knowledge, logical thinking, healthy competition, and intellectual curiosity among students. The activity provided an engaging platform for students to test and expand their academic and general awareness.

6. **Martyrs' Day Observation**

Martyrs' Day was observed to remember and honour those who sacrificed their lives for the nation. The programme encouraged students to reflect on the values of patriotism, peace, sacrifice, and national responsibility.

National Cadet Corps (NCC)

The NCC of NAM College is functioning under the 31 Kerala Battalion NCC, Kannur which authorized the total strength is 53 including SD and SW cadets. The unit has an enrolled strength 53 cadets of which 26 are girls. Cadets enrolled were given institutional training and can participate in adventurous activities, community development programmes, various camps at national level and annual training camps; sports and cultural activities. Capt. (Dr) Shameer A P is the Associate NCC Officer of this college. NCC cadets of this College has always been recognized as a responsible and disciplined organization in every aspect. Its dedication and commitment towards the nation and its interest has always been a priority for the organization. NCC conducts numerous activities this year in which the cadets participate enthusiastically, such as the training camps, special adventure camps, social awareness campaigns rallies, and so on.

NCC – Major Activities and Observances

1. **World Environment Day – 5 June 2025**

World Environment Day was observed on 5 June 2025 with activities aimed at creating awareness about environmental protection and sustainable living. NCC

cadets actively participated in promoting environmental responsibility and conservation.

2. **International Day of Yoga**

NCC observed International Day of Yoga with the active participation of cadets. A **one-week yoga practice programme** was conducted at the college to promote physical fitness, mental wellbeing, discipline, and healthy living among the cadets.

3. **Quiz and Signature Campaign**
